## OUR STORY

Toro Construction is a New York based independent Section 3 Construction Firm providing Professional and Trade services for large scale construction projects. We specialize in empowering our partners with skilled workers that drive successful projects and fulfill State & Federal DEI, Section 3 and Union compliance, procedures and protocols.

## OUR PARTNERS

DYNAMIC US

NY Power Authority

## THE TORO DIFFERENCE

### Real MWBE

Toro Construction was founded and is independently owned by Pat Toro, a 26 year veteran of Construction Management in New York - we are fully vetted and unaffiliated with any other companies..

### Real Experience

Our staff has decades of experience managing Professional and Trade Services for Section 3, MWBE, and Union jobs. We are experts in all processes and procedures for City, State, and Federal Agencies.

### Real Compliance

We use technology for a detailed approach to everything from project management to payroll - making us more efficient in keeping our clients informed and in compliance with all regulations.
